Student Written Reflection on Your Experience. What did you do and was it worth your time?

This was an absolutely unforgettable experience working
with both Bill & Marcia Shearer they were the best and
most easy to work with clients I have ever had. I feel
so glad and blessed I had the opportunity to work to make
a video for Whispering Grace and Freedom Farms. I learned
so much and very much enjoyed hearing their inspirational
stories about how horses and God changed their lives
and lead them to want to change other people.
